BIG GAME IS THE ONLY GAME

GREAT RIVER FISHING ADVENTURES WELCOMES YOU

To the 8th Annual Jurassic Classic in Chilliwack, British Columbia

With the pandemic turning into a distant memory, we are very excited to be hosting this fantastic fundraiser in its entirety! We are not expecting any major changes to this world class event and are sure this year will be the best ever... and we are glad that you will be sharing in the fun!

We would like to take a moment and **Thank You** for supporting both Wild Sheep and White Sturgeon conservation in beautiful BC. We are so lucky through this unique event to spotlight sturgeon and raise much needed funds to keep wild sheep on the mountains. Without your ongoing support these natural resources would be in a far dire situation. Kudos to all!

We have some great fishing, fun and surprises planned for you. The competition will be intense and the rewards great. Here is your chance to win the Grand Prize for the largest White Sturgeon caught and other amazing prizes.

Attached in this Welcome Package are: links to maps for meeting locations, suggestions of what to bring and other important tournament information.

Good competition, great camaraderie and a worthy cause are the cornerstones of the tournament and we are proud to be partnered with the Wild Sheep Foundation, Wild Sheep Society of BC and Guide Outfitters Association of BC for this event and we couldn't think of a worthier cause.

We can't wait to see you at this year's competition! It is truly anyone's guess where the winning fish will be caught and who will be crowned the 2024 Jurassic Classic Winner.

"Working Together For Conservation"

Thanks, and Good Luck!
